COD Aid changes the roles of funders and recipients

**Traditional project**
- Funder engaged in almost every phase
- $ (payment)
- Outcome measurement
- Verification of outcomes by third party

**COD Aid**
- Funder and recipient agree on measure of progress
- $ (payment)
- Verification of outcomes by third party

**Policy-based loans and budget support**
- Funder engaged in almost every phase
- Upfront payments followed by a sequence of "triggered" disbursements
- $ (payment)
- Outcome measurement
- Waivers, adjustments, and payments
- Reviews of compliance
- Negotiation
- Policy actions
- Approval
- Negotiation
- Design
- Identification

**Activities**
- Identification
- Design
- Negotiation
- Approval
- Startup
- Implementation
- Technical assistance
- Monitoring and evaluation
- Final evaluation
- Outcome measurement
independent evaluation
